

STUDENTS SHOW OFF ARTISTIC TALENTS WITH FLORAL DISPLAYS

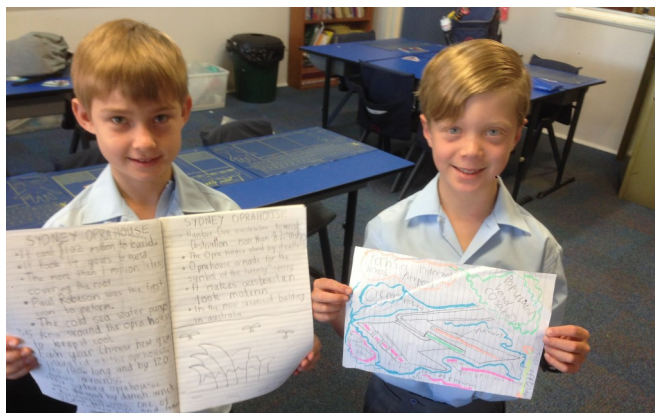

Chase, Angelina, Rhys and Kye holding some of their amazing art. The roses were created by 'twirling' a pop stick on wet paint.

The Year Four class have spent the last two Art classes painting, collaging and assembling floral displays to put around the classroom. Students painted their flowers and used collage paper to arrange them in decorated pots.

FLYING PIGS TAKE FLIGHT!

The Year Four class extension group will start next week. Students have been asked to re-search an amazing man-made structure from around the world. Students lucky enough to be selected to be in the main project group will have the task of building their chosen man-made structure out of pop sticks. There will be an amazing assortment of famous bridges and buildings.

Chase researched the Sydney Opera House and Archie

ICT UPGRADE BRINGS EXCITEMENT

The Year Four class Isaac and Riley holding up the new Lenovo tablet/laptop devices, which will soon be put into use.

Maddison is playing '100 or Bust' - a Maths game that teaches probability and place value concepts.

YEAR 4
