

# ST MATTHEW'S MIRROR

Priceless

Edition 2

Friday 31 August

Keppel brings Willy Nilly to life in a breakout performance.

## WILLY NILLY, BOX OFFICE SMASH!

Last Friday, Year Four Productions showcased their latest Book Week blockbuster puppet show, "Willy Nilly".

The Sr. Mary Library was packed out as the patrons flocked to see the puppets come to life, under the skilled hand of the puppeteers.

The larger than life characters burst onto the screen, led by titular character, Willy Nilly, played by Angus Keppel.

It was a laugh-a-minute as Willy Nilly navigated his way to the shops, meeting a smorgasbord of memorable characters along the way.

It was a visual feast for the eyes and the memories will last far longer than it takes the stray popcorn to be vacuumed up from the cinema floor.

## How to make a puppet:

### Requirements

Stick, polystyrene balls, silicon, hot glue, paper, glue, paints

### Method

- 1) Have lots of patience!
- 2) Put a polystyrene ball on a long stick.
- 3) Glue on facial features made of polystyrene.
- 4) Fill gaps with silicon.
- 5) Cover with strips of paper and glue. Do at least four layers.
- 6) When dry, paint the facial features.
- 7) Dress your puppet.
